Football for Hope Festival 2010

Celebrating the power of football

32 teams of young people from disadvantaged communities around the world will come to South Africa to take part in a football tournament and cultural activities. The boys and girls between the ages of 15 and 18 were chosen for their outstanding contributions to their communities. The festival will take place in a specially constructed stadium in the township of Alexandra in the heart of Johannesburg. All games will be played without a referee – any disagreements will be resolved through dialogue.

Football for Hope helps people around the world using the power of football to build a better future. It is led by FIFA and streetfootballworld.

Perfect playing conditions – all over the world.

All over the world, football turf pitches with a "FIFA RECOMMENDED" mark provide the best possible playing conditions. Irrespective of the location, time or climate, a football turf pitch with the internationally accepted FIFA seal of approval unites excellent playing conditions similar to those on a good grass pitch with the advantages of an artificial pitch: longer playability, less maintenance work and costs, and high resistance to weather and climatic changes. Football turf – for great matches. Fédération Internationale de Football Association, FIFA Quality Concept, FIFA-Strasse 20, P.O.
